APPLICATION FOR MEAL REIMBURSEMENT BENEFITS

Do not write in the shaded areas or use correction fluid. Complete the application using ink and return to your provider's Sponsoring Organization for processing.

- 1A. List all children for whom application is being made.
- 1B. List all other household members.
- 1C. Write the total number of people in the household.

Foster children must have a separate form for each child listing the income by source received by the child for personal use. Complete sections 1A, 3A, and 6.

Section 2. Categorical Approval (FEP, Food Stamp, or FDPIR).

Give appropriate case numbers for **each child** in the provider's household instead of completing income information (Section 3A-3C). If all children do not qualify for categorical approval, complete the full application.

Section 3A - 3C. Income by Source.

3A. If the children have significant income, list the monthly amount for each including a foster child's personal income.

3B. **Gross income last month and how often it was received.** Next to each person's name list each type of income received last month, and how often it was received. For example, *Earnings from work*: List the **gross income** each person earned from work. This is not the same as take-home pay. **Gross income is the amount earned before taxes and other deductions.** A child's summer job with earnings of insignificant amounts is not required to be included. Next to the amount, write how often the person got it (hourly, weekly, every other week, twice a month, or monthly). If income is listed as different pay periods convert all to annual income. Conversion: Hourly x 2080, Weekly x 52, Every 2 Weeks x 26, Twice A Month 24 Monthly x 12. If the person does not have any income, check the "no income" box.

Section 6. Social Security Number and Signature.

It is required to have an adult / parent signature and Social Security Number. If you do not have a Social Security Number, check the box for "No Social Security Number." Without these items, the application cannot be processed.

Privacy Act Statement: Unless you list the child's food stamp, FDPIR, or FEP case number, Section 9 of the National School Lunch Act requires that you include the Social Security Number (SSN) of the household member signing the application or indicate that the household member does not have a SSN. You do not have to list a SSN, but if a SSN is not listed or an indication is not made that the adult household member signing the application does not have a SSN, we cannot approve the application. The SSN may be used to identify the household member in verifying the correctness of information stated on the application. This may include program reviews, audits, and investigations and may include contacting employers to determine income, contacting a food stamp, FDPIR or FEP office to determine current certification for food stamps, FDPIR or FEP benefits, contacting the Department of Workforce Services to determine the amount of benefits received and checking the documentation produced by the household member to prove the amount of income received. These efforts may result in a loss or reduction of benefits, administrative claims, or legal actions if incorrect information is reported.
